

PROPOSALS FOR “10 DAYS KRUSHEVO REPUBLIC 2023”

Official rules for the event “10 DAYS KRUSHEVO REPUBLIC 2023” on the occasion of 120 years since the Ilinden Uprising in Macedonia and the establishment of the First Republic in the Balkans.

1. Period of the Ilinden 2023 event: 1-10 August 2023 starting from 00.01 to 23.59 GMT.
2. Frequencies/bands: 1.8 frequencies can be used; 3.5; 7; 14; 21; 28 and 50 Mhz and the wartz frequencies 10, 18, 24 MHz.
3. Mode of operation: Valid mode of operation: CW, SSB, DIGIT and SWL.
4. Abbreviations: Common international abbreviations are used during work.
5. The following call sign **Z3120KR** will be used.
6. Data exchange: Radio stations from Macedonia will send the CQ Z3120KR sign during the call. When answering the station that will call them, they answer with their call sign and the appropriate report according to the type of broadcast (eg CQ Z3... and A1AA 599/59) and the connection is immediately entered in the log.
7. QSO Validity: Valid only once on each band : CW, SSB, DIGIT SWL.
8. Winning the diploma: Every participant will win a diploma by completing the sign at least on three different frequencies any mode. Under the same conditions, SWL radio amateurs will also win a diploma after submitting a diary in adi format. This request should contain a log for at least 3 different frequencies with any modulation for all participants.

9. Commission: In case of appeals, a commission will discuss and make an appropriate decision. The decision of this committee is final.

10. Issuance of diplomas: If automatic and electronic issuance of diplomas is enabled, it will be done automatically. If there are no conditions for automatic processing and sending of diplomas, this will be done by a member/members (commission) determined for that purpose upon request submitted in adi format. Diplomas must be sent electronically to all participants by 12/31/2023. If there is a request to send paper diplomas, the requester will have to submit a monetary compensation of \$2.

11. Issuance of QSL cards: QSL cards will be issued only in electronic form and this will be done automatically when entering the electronic logs on the Internet. In certain and individual cases, it can be delivered upon special request with a delivered equivalent of \$2. RSM will reply to all direct mailed cards with a reply envelope of \$2. Requests will be submitted to the RSM address, attached below. Operators may not provide a different address or explanation.
