

IARU - 100 Diploma

On the occasion of the 100th anniversary of the founding of IARU in 1925, the Romanian Amateur Radio Federation is establishing the “**IARU - 100**” diploma. This year marks 87 years since Romania became a member of IARU.

To obtain this diploma, a minimum of **100** points are required during The Romanian stations that in **01-30 April 2025** will have the suffix “IARU” (**YO100IARU**, **YP100IARU**, **YQ100IARU**, **YR100IARU**) will be awarded **20** points on each band and modes (CW, PH, DG-all digital modes)

For each additional **100** points, a higher class diploma can be obtained.

The electronic diploma is free and can be downloaded from hamlog.online
