

Diploma "World Day of Radio Amateurs" - 2025

Every year around April 18, World Radio Amateur Day, a special diploma can be obtained. In 2025, the working period is between April 16-24.

This year IARU celebrate a century of connections: 1925 - 2025

During this period, QSOs must be made with the YQ1ZMR station to obtain at least 10 points for the BRONZE class.

A QSO with YQ1ZMR in 2025, during the given period, each band & mode confers 4 points in CW, 3 points in PH and 2 points in digital modes (all digital modes are considered only once!)

For a higher score, diplomas can be obtained as follows:

SILVER Class - 20 points and GOLD Class - 40 points

The diploma in electronic format is free and can be downloaded from hamlog.online.
