

"Anghel Saligny" Diploma

On the occasion of the 130th anniversary of the inauguration of the bridge built by Eng. Anghel Saligny from Fetesti-Cernavoda, SRR has established an anniversary diploma.

To obtain the diploma, it is necessary to make at least **2 QSOs in 2 different bands**.

The stations that are valid are **YO3KWJ** and **YO9KXC** active between **June 10-20, 2025**.

All authorized frequencies can be used, including those on satellites for amateur radio traffic.

The diploma can be downloaded from hamlog.online.
