

To mark the 35th anniversary of Macedonia's independence, the Radio Amateur Union of Macedonia and its members are organizing activities on amateur radio bands using the special call sign Z335MK and will award the "35 Years of Independent Macedonia" diploma to the most successful domestic and foreign operators, in accordance with the following

R U L E S

For the issuance of the "35 Years of Independent Macedonia" award

1. The activity using the special call sign Z335MK will take place from September 1 to September 15, 2026, across all amateur radio bands and using all permitted modes of transmission.
2. The "35 Years of Independent Macedonia" award will be issued to any radio amateur who establishes multiple, confirmed radio contacts—on different bands—with the organizer's stations (Z335MK), according to the following criteria:
 - a. Stations from Europe and local stations from Macedonia: 3 contacts on 3 bands,
 - b. DX stations: 2 contacts on 2 bands.
3. Awards will be issued automatically via the HAMLOG platform based on the logs of the organizer's stations, which will be uploaded to the server on a daily basis.
4. The awards will be available to everyone who has met the requirements on the HAMLOG Awards page.
5. Radio amateurs who believe they have met the requirements but have not received the award may appeal to the organizer's Appeals Commission. The Commission's decision is final.
