

There are 3 different categories. Bronze, silver and gold.
If you see fit, that's how I thought of the reward system.
1 credit = per band and mod.
bronze with 3 credits,
5 credits silver and 8 credits gold awards.

for example;
20M SSB 1 QSO
30M CW 1 QSO
30M FT8 1 QSO . 3 points total. bronze award.

The rules are pretty easy. QSO in different bands and modes with the TC30AZB. If there is a problem: send an e-mail to info@gitrad.org.tr.
The activity will continue between 26 August - 31 August 2022.
