

UBA WARD 2024 AWARD

At the occasion of the World Amateur Radio Day 2024, the UBA will activate the special event stations **OR24WARD** and **OP24WARD** during the month of April 2024. Operators will be both UBA board members as members of the UBA HF Committee. See <https://www.uba.be/en/hf/awards/uba-awards>

The stations will be active on all amateur radio bands in phone, telegraphy and digimodes.

A commemorative award will be issued in six different classes for working the stations in different band/mode slots whereas RTTY, PSK31, FT8, PSK63, FT4, etc. will be considered as one single digimode.

Requirements:

Award Class	Points Required	Both SES have to be worked
Bronze	5	No
Silver	10	No
Gold	15	Yes
Platinum	20	Yes
Diamond	30	Yes
Extreme	40	Yes

Each different band/mode slot with both OR24WARD and OP24WARD counts 1 point. Please note that starting the “Gold” class award, both stations have to be worked (i.e. the number of points may be achieved in any combination of the two SES, but except for the “Bronze” and “Silver” classes, both stations must appear at least once in the log).

Logsearch and award download will be available via [HAMLOG.ONLINESWLS](https://hamlog.onlineswls.be) interested in applying for the award should send their log extract mentioning the station worked by the SES to on4cas@uba.be
