

# OQ100MBS SPECIAL EVENT STATION

From September 1st till September 30<sup>th</sup>, 2022, the special event station OQ100MBS will be active from the Belgian city Mechelen in grid square JO21fa. It will be aired to commemorate the centenary of the royal carillon school in Mechelen. More about this famous school and its activities can be found at <https://beiaardschool.mechelen.be/en>

A commemorative award will be available for those who achieve collecting at least **100 points** by two-way contacts with OQ100MBS in different band/mode slots (whereas RTTY, PSK31, FT8, PS63, FT4, etc. will be considered as a single DIGI mode). Contacts on 60m are not valid towards the award, nor are any QSOs making use of modes as DMR, Echolink, D-STAR, etc. which are being relayed via the internet.

2-way contact in ... mode	= ... points
