

Working with VK5COP Award

The **Working with VK5COP Award** is available to amateur radio operators who make contacts with **VK5COP**.

The award is available in six achievement levels, based on the total number of completed QSOs with VK5COP:

- **Bronze** - 5 QSOs
- **Silver** - 10 QSOs
- **Gold** - 15 QSOs
- **Platinum** - 25 QSOs
- **Diamond** - 50 QSOs
- **Sapphire** - 75 QSOs

Award Rules

1. The award is open to all licensed amateur radio operators worldwide.
2. All valid amateur radio contacts with **VK5COP made on or after November 1, 2025**, are eligible.
3. QSOs may be made on any amateur radio band and using any permitted mode.
4. **Duplicate contacts are permitted** and count toward the required QSO total.
5. Each achievement level is awarded upon reaching the required number of QSOs.
6. Operators may continue progressing through the award levels as additional contacts with **VK5COP** are completed.
7. Awards are issued electronically through **HAMLOG.online**.
